Park Rules and Regulations

You are responsible for knowing park rules and regulations. All provisions of the California Vehicle Code are enforced. A copy may be found at: www.dmv.ca.gov/pubs/vctop/vc/vc.htm. If you have questions, please contact park staff at: (831) 637-3874.

The term OHV means off-highway vehicle. Any motor vehicle operated off-highway is an OHV. A highway licensed vehicle is an OHV when operated off of the highway. Vehicles having green and red stickers are OHVs.

ALCOHOL: Open container and DUI laws apply off-highway just as they do on-highway. Don't drink and drive. Alcohol is only allowed in your campsite.

ATV LAWS: There are laws which apply specifically to the operation of ATVs only. (For more complete information please see reverse page.)

DOGS: Dogs must be kept on a leash at all times. Please pick up after your dog.

NIGHT OHV OPERATION: Operation of OHVs is not allowed at night. Hours of operation are from sunrise to sunset.

NOISE EMISSIONS: The law limits noise emissions from all OHVs. Noise emissions for most OHVs are limited to not more than 96 dBA when measured from a distance of 20 inches using standardized test procedures. For more specific information, go to: www.ohv.parks.ca.gov/noise_emissions.

REACH AND OPERATE ALL CONTROLS: All operators of off-highway vehicles must be able to reach and operate all controls.

RED STICKER RIDING SEASON: Red sticker vehicles are not allowed to operate in the SVRA from June 1st - September 30th. These dates are established by the California Air Resources Board (CARB) and are subject to change. Please call the park for updated information.

REGISTRATION: When operating an OHV, you must display either a license plate or an OHV sticker. OHV stickers include "Green Stickers," "Red Stickers," California Nonresident OHV Use Permits, and OHV stickers from states that have an OHV program.

SPEED: Please follow posted speed limits throughout the park. In developed areas, keep speeds to 15 mph or less. Never drive faster than is safe for conditions.

SPARK ARRESTERS: All vehicles operating off-highway must be equipped with either a street legal muffler or a spark arrester maintained in effective working order.

SUSPENDED OR REVOKED LICENSE: Anyone whose driving privileges have been suspended or revoked is prohibited from operating any motor vehicle, on- or off-highway.

VEGETATION: It is never legal to drive or ride over vegetation. Always stay on established trails.
